J. R. Painting LLC is a full service painting company that does interior and exterior painting. Additional services they provide include dry wall repair/skim coating, lettering/fine detailing, small carpentry work, wallpaper removal, and power washing.

Jesse Rhody started J. R. Painting in the Twin Cities in 2004. He moved his family and business to the North Metro in 2007. He is a new member of the MetroNorth Chamber of Commerce and the Real Connections chapter of BNI.

Jesse provides each client with the highest level of quality craftsmanship. Homeowners who choose JR Painting are given quality service and customer satisfaction guaranteed.

When it comes to painting, Jesse believes that proper surface preparation is critical to ensuring quality and durability. Sometimes surface prep is 75% of the job. J. R. Painting uses first-rate materials for each and every paint job. Upon completion of each job, Jesse cleans the work area leaving the clients home neat and tidy. In an industry where it is common to hire out subcontractors for paint jobs on an as needed basis, homeowners who choose J. R. Painting are guaranteed an experienced, well trained, professional painter every time. Check out his website at JRPainting.us for many fun and helpful painting tips as well as pictures of the work he has done.

Jesse Rhody moved to the Twin Cities from a small town in Wisconsin in 2001. He lives in Spring Lake Park with his wife and two small boys. In his free time he enjoys being with his family and out in the woods. Before founding JR Painting, Jesse worked in carpentry. He is dedicated to making your Twin Cities home or business look its best.
